

Disciplinary Policy

HRS Section 10M-12.09 requires that parents are notified in writing of the disciplinary practices used by the child care facility. In compliance with HRS Section 10M-12.013, we will never use physical punishment as a means of discipline. In the area of discipline, we make it our priority to teach through consistency and loving guidance. The parent's or legal guardian's signature verifies that he/she has been notified in writing of the practices of the child care facility.
